Premier of Nova Scotia  
One Government Place, 7th Floor  
1700 Granville St  
PO Box 726  
Halifax, NS B3J 2T3

Dear Premier,

We are pleased to provide you with the year-to-date overview of gasoline price comparisons (excluding taxes) between Halifax and the Canadian average of 60 cities surveyed. Attached as well is the year-to-date weekly survey report as prepared by Kent Marketing Services Limited that illustrates, on a cents-per-litre basis, the comparisons.

As you can see, there were only six weeks during 2011 that Halifax prices (excluding taxes) were higher than the Canadian average.

This information along with other statistical reports can be obtained from the website:

We trust this information is helpful.

Compliments of the season.

Graham Conrad  
Executive Director
